

Eclat 80 Wardrobe Sliding Door Systems

Product Overview

The Eclat 80 is a desirable and elegant wardrobe sliding system using a combination of upper and lower rails, neatly concealed at the rear of the doors, which enables the doors to glide effortlessly in a single plane. The system which is supplied with double soft closing dampers as standard, is perfectly suited for larger sized wardrobe doors.

Features

- Supplied with upper and lower aluminium rails, which when fitted are concealed at the back of the sliding doors
- Equipped with double soft closing dampers as standard
- Variable height adjustment
- Kits available for 2 or 3 sliding doors with exterior door overlapping
- Easy to assemble due to automatic insertion of guides in bottom rail

Technical Specifications

- Maximum Door Weight: 80kg
- Door Thickness: 20-50mm
- Maximum Door Height: 2900mm

Soft close damper (pair per kit)

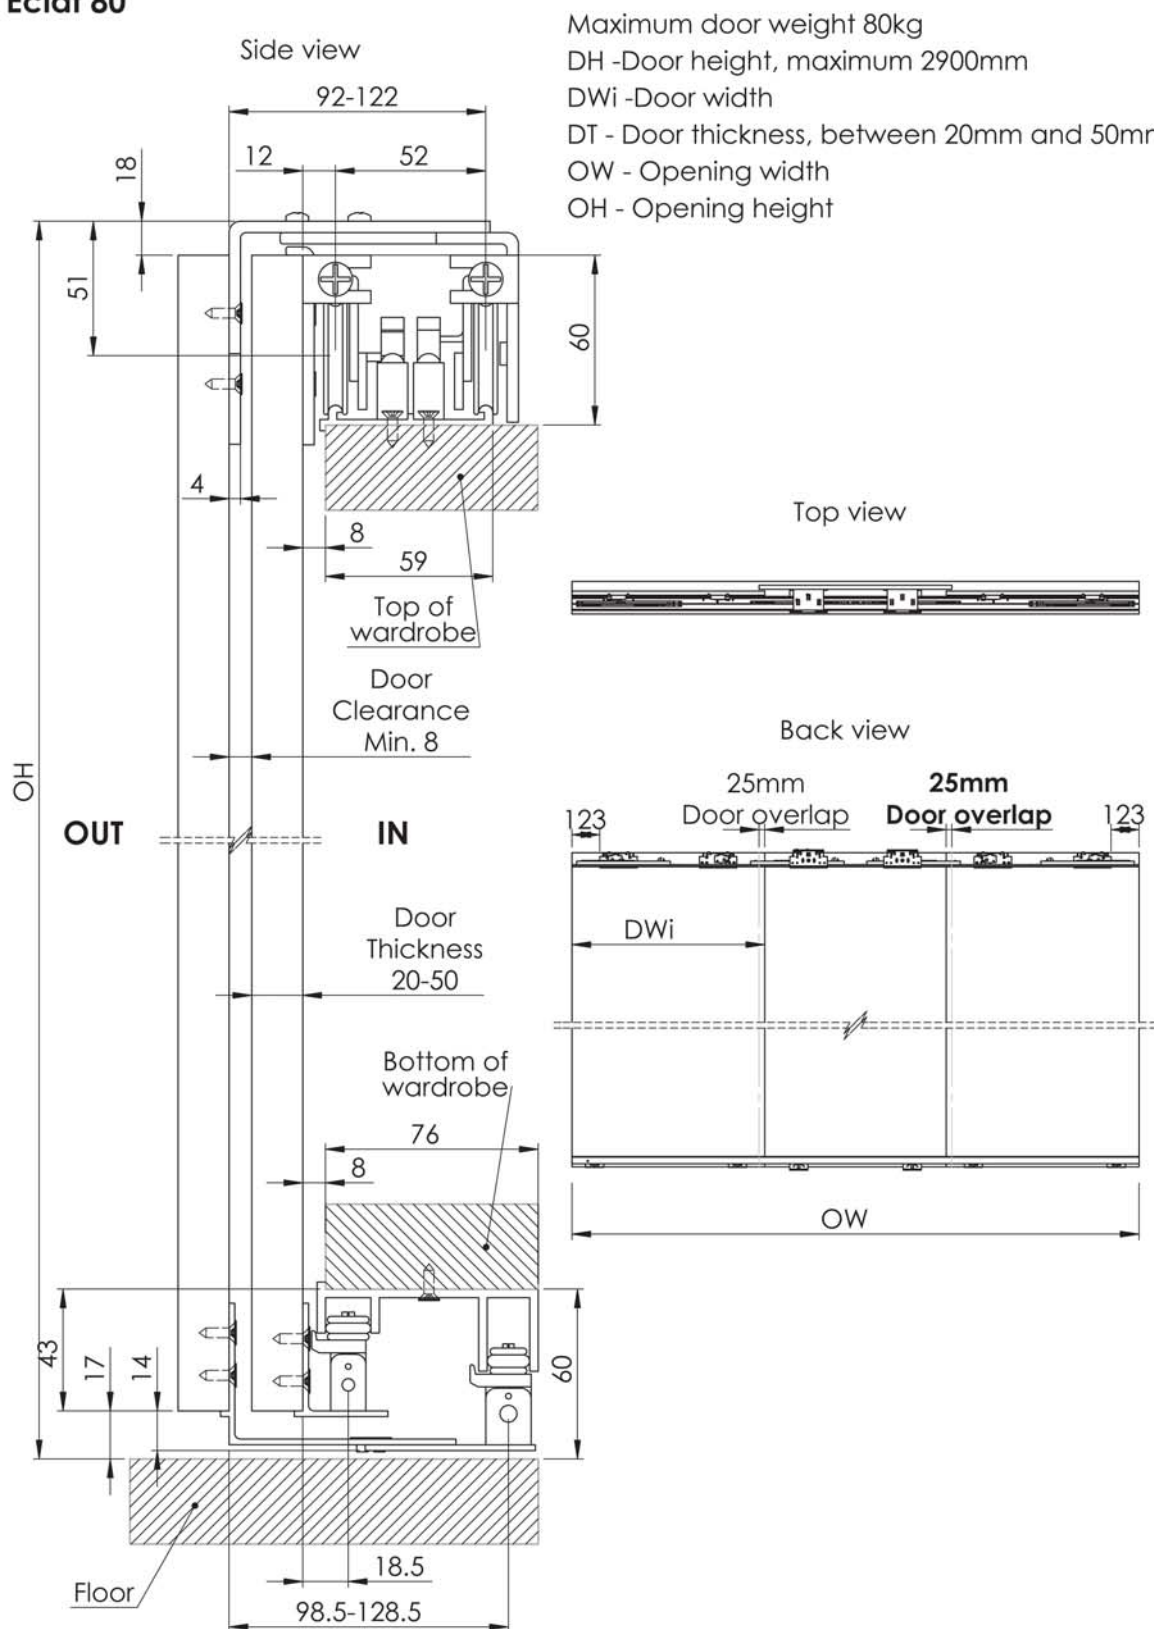

Aluminium top rail c/w soft closers
